

# Marcia Griffiths, Truly

Truly,  
I love you truly  
Truly,  
I love you truly

And it would mean so much to me  
If you could understand  
That I need you, Just to be my lover man

I said  
Truly,  
I love you truly  
Truly,  
I love you truly

Really, I want you near me  
Really, If you should hear me  
Cause you don't know like I know baby  
You've got to change your plan  
Cause I need you, Just to be my man

Truly,  
I love you truly  
Truly,  
I love you truly  
Truly,  
I love you truly  
Truly,  
I love you truly
