

Marcia Griffiths, Truly

Truly,
I love you truly
Truly,
I love you truly

And it would mean so much to me
If you could understand
That I need you, Just to be my lover man

I said
Truly,
I love you truly
Truly,
I love you truly

Really, I want you near me
Really, If you should hear me
Cause you don't know like I know baby
You've got to change your plan
Cause I need you, Just to be my man

Truly,
I love you truly
Truly,
I love you truly
Truly,
I love you truly
Truly,
I love you truly
