

# Marco Bocchino i Ola Szwed, All My Life

Non ho paura se  
tu sei qui accanto a me

Ja już nie boję się,  
bo jesteś blisko mnie.

So don't never ever leave me alone  
no more, no more, no more

I'll give you all my life  
and you just hold me tight  
no one else can make it right  
I'll give you all my life  
and you just hold me tight  
(and you just hold me tight)

I'amore e'liberte no, non sin vincola  
wolność to muzyka, a jednak więzi nas

I'wont never ever force you to stay  
no way, no way, no way

I'll give you all my life  
and you just hold me tight  
no one else can make it right  
I'll give you all my life  
and you just hold me tight

I'll give you all my life  
and you just hold me tight  
no one else can make it right  
I'll give you all my life  
and you just hold me tight

I'll give you all my life  
I'll give you all my life

(I'll give you all my life)
