

Marco Hietala, Inner Sanctuary

So many things come in my life
That steal my energy
So many questions where I find no answers
But there's a place where I can go
That's deep inside my mind
A great relief and
Time to go!
Time to go!
Inner sanctuary
Inner sanctuary, now
I've found my peace somehow
Inner sanctuary
Inner sanctuary, now
I've found my peace somehow
You don't know what you've done to me
Tell me the reasons why
What have I done that I deserve such treatment?
Why do you fill my heart with grief?
My tears will never dry
Your monster creeps in me when I am sleeping
Time to go!
Time to go!
Inner sanctuary
Inner sanctuary, now
I've found my peace somehow
Inner sanctuary
Inner sanctuary, now
I've found my peace somehow
Time to go!
Time to go!
Inner sanctuary
Inner sanctuary, now
I've found my peace somehow
Inner sanctuary
Inner sanctuary, now
I've found my peace somehow
I've found my peace somehow
