Marcos Hernandez, If You Were Mine

[Chorus:]
If you were mine,
I'd be your everything and you'd be the only thing that I would ever need
If you were mine,
I would tell everyone that you are the only one that I could ever want
Ohhh Yeaaa
Everything I dreamed about
Everything that I talked about
One thing I can't live without
I wanna get closer to you
Can't stand being far away
Knowing that you don't feel the same way
Questioning bring tears to your eyes
[Chorus:]
If you were mine,
I be your your everything and you be the only thing that I would ever need
If you were mine,
I would tell everyone that you are the only one that I could ever want
Ohhh Yeaaa
All words I sing about
All that is that I write about
Only thing I wanna hear about
So that I can get closer to you
I know that there is someone else, but he's only thinking of himself
Doesn't make any sense for you to be lonely
[Chorus:]
If you were mine,
I be your your everything and you be the only thing that I would ever need
If you were mine,
I would tell everyone that you are the only one that I could ever want
Ohhh Yeaaa
Let me be the one to share your hopes and dreams with
You'll never be alone again, cuz' I will hold you endlessly
Please don't be afraid to let your brokenheart guide you
Into these open arms that long to surround you, baby!!
[Chorus:]
If you were mine,
I be your your everything and you be the only thing that I would ever need
If you were mine,
I would tell everyone that you are the only one that I could ever want
[Repeat Chorus:]
