

Marcus & Martinus, Talk

I wish We could go there, back to the start,
'Cause I was surrender and give you my heart,
Into the night, the stars leave me blind, when I look in your eyes,
So can We just go there, back to the start?

Baby can We both just talk?
Oh, just talk, oh, just talk,
Baby, can We both just talk?
Oh, just talk, oh, just talk,

I'll leave the light on, in case you come home,
'Cause You are the only one for my soul,
Into the night, the stars leave me blind, when I look in your eyes, so
I'll leave the light on, in case you come home,

Baby can We both just talk?
Oh, just talk, oh, just talk,
Baby, can We both just talk?
Oh, just talk, oh, just talk,

Oh, don't You leave me broken,
Yeah-whoa, 'cause maybe I was open,

Baby can We both just talk?
Oh, just talk, oh, just talk,
Baby, can We both just talk?
Oh, just talk, oh, just talk,
Baby can We both just talk?
Oh, just talk, oh, just talk,
Baby, can We both just talk?
Oh, just talk, oh, just talk,
Baby can We both just talk?
Oh, just talk, oh, just talk,
Baby, can We both just talk?
Oh, just talk, oh, just talk,
Baby, can We both just talk?
Oh, just talk, oh, just talk,
Baby, can We both just talk?
Oh, just talk, oh, just talk,
