

# Marcy Playground, Pigeon Farm

If you could see in my eyes  
I'd show you a darling  
Surprise  
There is a place  
There is a fortune  
It has everything and  
I want to share it with my friends

So please don't be so afraid  
Cause there's nobody insane  
Here here on the Pigeon Farm  
Here here on the Pigeon Farm  
Here here I'm the Pigeon Farm boy

Out where the sun's in my eye  
And out where the hills hit the sky  
There is a place  
There is a fortune  
It has everything to  
Help you fit in with everyone

So please don't be so afraid  
Cause there's nobody insane  
Here here on the Pigeon Farm  
Here here on the Pigeon Farm  
Here here I'm the Pigeon Farm boy

So please don't be so afraid  
Cause there's nobody insane  
Here here on the Pigeon Farm  
Here here on the Pigeon Farm  
Here here I'm the Pigeon Farm boy
