

Marcy Playground, Pigeon Farm

If you could see in my eyes
I'd show you a darling
Surprise
There is a place
There is a fortune
It has everything and
I want to share it with my friends

So please don't be so afraid
Cause there's nobody insane
Here here on the Pigeon Farm
Here here on the Pigeon Farm
Here here I'm the Pigeon Farm boy

Out where the sun's in my eye
And out where the hills hit the sky
There is a place
There is a fortune
It has everything to
Help you fit in with everyone

So please don't be so afraid
Cause there's nobody insane
Here here on the Pigeon Farm
Here here on the Pigeon Farm
Here here I'm the Pigeon Farm boy

So please don't be so afraid
Cause there's nobody insane
Here here on the Pigeon Farm
Here here on the Pigeon Farm
Here here I'm the Pigeon Farm boy
