

Margaret, Over You

(I take it , I can get , I take it , I take it , I can get...)

I verse

Nobody's said - the life what be easy ,
The nothing wrong face me
Nobody's said , nobody nobody said
The well current which me , the life weren't teach me
Nobody's said , nobody nobody said

Take me to the place , where everything's so raise
It's hard a too forget
When nobody's said

Chorus:

I can get over you
I can get over you , over you
Oh !
(I take it , I can get , I take it , I take it , I can get...)

II verse :

Nobody's said
The well whole a blade by
The ... high now
Nobody's said , nobody nobody said
.... come when , the lights are a goin'
Nobody's said , nobody nobody said

Take me to the place , where everything's so raise
It's hard a too forget
When nobody's said , nobody's said

Chorus:

I can get over you , over you
I can get over you , over you
I can get, I can get, I can, I can get
(I take it , I can get , I take it , I take it , I can get...)

Bridge:

You're mouth rich and I'm scared all the so blood
Please stay you with come over ,
Cuz I can get over I can get over
I can get over you , over you
(I take it , I can get , I take it , I take it , I can get...)

Nobody's said
I can get over you
