

# Margot and The Nuclear So and So's, Vampires i

Somebody's gonna love you.  
Somebody oughta lay you out.  
Don't give it away.  
Cause I need you the most  
when I'm half of what I was  
when I was in your room.  
Don't pick up the phone.  
Don't answer the door.  
Cause those villans want your blood.  
And they're gonna get it.  
Your mother is a vampire.  
She sucked your old man's life away.  
Turn everything off.  
Just cover your neck.  
Cause life is full of your regrets.  
And I should be one.  
Try telling me off.  
Try slamming the door  
and telling me I'm not worth your time.  
Or the breath I'm breathing.  
Don't throw it away.  
Oh, Calico queen.  
Cause now you're merely a machine,  
And not a person.  
Try telling me off.  
Try slamming the door  
and telling me I'm not worth your time.  
Or the breath I'm breathing
