

Mari, Jonah

I know it seems
That I'm not into you
But it's far from true
You see the truth inside
I've never felt so strong
For a person before
And to be honest
I'm a little afraid
That the things are moving
Just a little too quickly
Jonah don't be discouraged
I know that my feelings for you
Are true
Oh oh oh oh
Jonah
Jonah
Won't you come tomorrow
I'll show you all things
That you've never seen before
Jonah Jonah
I know that I'm
I'm waiting here
Just waiting for
Your... call
