Mari, Makes Me Wonder

[Verse]

I wake up with blood-shot eyes

Struggled to memorize

The way it felt between your thighs

Pleasure that made you cry

Feels so good to be bad

Not worth the aftermath, after that

After that

Try to get you back

[Bridge]

I still don't have the reason

And you don't have the time

And it really makes me wonder

If I ever gave a fuck about you

[Chorus]

Give me something to believe in

Cause I don't believe in you anymore

Anymore

I wonder if it even makes a difference to try

(Yeah)

So this is goodbye

[Verse]

God damn my spinning head

Decisions that made my bed

Now I must lay in it

And deal with things I left unsaid

I want to dive into you

Forget what you're going through

I get behind, make your move

Forget about the truth

[Bridge]

And I still don't have the reason

And you don't have the time

And it really makes me wonder

If I ever gave a fuck about you

[Chorus]

Give me something to believe in

Cause I don't believe in you anymore

Anymore

I wonder if it even makes a difference,

It even makes a difference to try

And you told me how you're feeling

But I don't believe it's true anymore

Anymore

I wonder if it even makes a difference to cry

(Oh no)

So this is goodbye

(Oh no)

So this is goodbye
