

Maria McKee, Am I The Only One

There is no damn reason
I should have to be so alone
I'm smothered by this emptiness
Lord, I wish I was made of stone
Like a fool I lent my soul to love
And it paid me back with shame
God help me, Am I the only one
Who's ever felt this way?

A heart that's worn and weathered
Would know better than to fight
But I wore mine like a weapon
Played out love like a crime
And it wrung me and strung me out
Hung years on my face
God help me, am I the only one
Who's ever felt this way?

Now my sense of humor needs a break
I see a shadow in the mirror
And she's laughin' through her tears
One more smile's all I can fake
There is a wound inside me
And it's bleeding like a flood
There are times when I see light ahead
But hope is not enough
As another night surrounds me
And it pounds me like a wave
God help me, am I the only one
Who's ever felt this way?
