## Maria McKee, You Gotta Sin To Get Saved

Well ya been my Romeo ever since we were in school An' ev'ry good thing I've ever felt you have made me feel Well it's not that I don't love you, I'll love you honey 'til I die But I could never be your bride 'til I tame my wicked side

Chorus: Whoa-oh-oh-oh Whoa-oh-oh-oh Honey show some faith You gotta sin to get saved

Well I could never shame you honey you're my pride and joy But what's a girl to do now Daddy, I'm drownin' in a sea of boys Well there ain't no harm in lookin' But I look too close sometimes I'll never fix my rovin' eye 'til I tame my wicked side

Chorus

Now I pray the Lord won't scorn me if I make an honest vow To someday wear a dress of white, 'Cause scarlet is what I'm wearin' now Well it's not that I don't love you, I'll love you honey 'til I die But I could never be your bride 'til I tame my wicked side

Chorus
