

Maria Mena, Fragile (Free)

I've been walking around all day thinking
I think I have a problem, I think I think too much
I've been taught to hold back my tears and avoid them
but you've made pain into something I could touch

I've been walking around all day laughing
Think I'd be better off without you here
And I bet you're sweet and hard to get over
So I'll cry and people will stop and stare
Now that's ok, let them stop and stare

Cause I am fragile
I am hopeless
I'm not perfect
But I am free

I've been walking around all day waiting
And waiting is all I seem to do
Cause I never get it unless I'm fed it
But this time I'll just have to
Yeah, this time I'll just have to

And I'm fragile
I am hopeless
I'm not perfect
But I am free

Say you're not around, am I finished?
If you're not around that's too bad
Hope you're safe and sound, not alone now
Cause you know I believe in you

I'm still fragile
I'm still hopeless
I'm not perfect
But I am free

And I'm fragile
I am hopeless
I'm not perfect
But I am free

Cause I'm fragile
I am hopeless
I'm not perfect
But I am free
