

Maria Mena, They Smoke a Lot

You smoke a lot.
Down that hill is where you're dropped.
And your momma's sayin no no no no no.
And your daddy's sayin no no no no no.
You're in trouble.
You're in trouble this time, this time.
They smoke a lot.
Catch their disease, that's what you've got.
And your teacher's sayin no no no no no.
And your grandma's sayin no no no no no.
You're in trouble.
You're in trouble this time, this time.
But it feels soothing.
But you're not moving, cause you're dead.
So dead.
