

# Maria Taylor, My Own Fault

If you listen to the stream  
You may get thirsty  
If you watch the dying tree  
You may feel weak

But don't you feel sorry  
Don't you get worried  
Please don't at all  
Don't you take pity  
It's my own fault

If you watch the t.v. screen  
You may feel hollow  
If you hear the wedding vows  
You may feel drunk

But don't you feel sorry  
Don't you get worried  
Please don't at all  
Don't you take pity  
It's my own fault

And there are better days  
Then i'm on my way  
Just follow the headlight

And don't you feel sorry  
Don't you get worried  
Please don't at all  
Don't you take pity  
It's my own fault

And no, don't you feel sorry  
Don't you get worried  
Please don't at all  
Don't you take pity  
It's my own fault
