

Maria, Tsubomi (English)

Will there be flowers blooming
On the road up ahead?

There's so many roads you can take
Can you, can you get lost sometimes?

My heart and my body are trembling a little
I'm incredibly anxious

I won't cry, I can do it
I'm not afraid
I told myself that again and again
I won't cry, I can do it
I'm not afraid
I feel like if I'm not strong
I'll crumble

The rain that fell
Has made flowers bloom in my heart

Even if I can't see ahead of me
I'll keep on walking this road

Nobody is alone
We spend our lives supporting each other

I won't give up, I won't give in
There's nothing I can't do
I told myself that again and again
I won't give up, I won't give in
There's nothing I can't do
I feel like if I'm not strong
I'll crumble

I hope this anxiety
Goes away

I won't cry, I can do it
I'm not afraid
I told myself that again and again
I won't give up, I won't give in
There's nothing I can't do
I swear I'll be able
To take everything that comes
