

Mariah Carey ft. Damian Marley, Cruise Control

Walkin' on the wild side
Crusin for a goal
Baby baby baby, I'm out of control
Singin with the lampstands,
Hairdryer on the hair
Dancin on the light floor
Watching you over there
It's a ladies night
And I know it gon' be hot
I'm a gon bump and grind, and rock and roll
SEE ARE YOU EYE ESS EE CONTROL.
Bump and grind (SEEARE YOU EYE ESS EE)
Cruise control
Bump and Grind
With cruise control
Handle on da gearstick, flickin' it slow
Baby I'll be your gurlfriend so be lettin' me know
Later on at night I'll be tellin you soo
When you watch me on the dancefloor rockin it slow
It's a ladies night
And I know it gon' be hot
I'm a bump and grind and rock and roll
Baby Baby, throw me
C.R.U.I.S.E CONTROL
