Its ya boy twista

Mariah

oh oh oh ooh oh oh oh oh

oh oh oh oh

oh oh oh ooh oh oh oh oh

Twista:

You know I like the way you kick it girl

You know I like it when ya in my world

Come here lil momma let me freak yo body

Then roll wit me in the Bentley White pearl

Girl you know you get me so erotic

Especially when I be sippin hypnotique

Got me feelin like Im smokin on cronic

When we fuckin it be so exotic

Now I know that I be turnin on fiyay wit Mariah

And she know she be dealin wit a balla

Cant go fast cuz Im heavy through the wire

Fulfillin desires like a chi shot calla

Do you love how the twist throw it at you

Do you love when I hit it from the back too

Let me feel how you work it that one way

Come on baby girl let me see what that do

Mariah:

I wish that we could

Blow out the speakers

Over N Over

to then jokes to secrets

Forever your lady

You act right then maybe

Aint nothing to talk about

put the music loud

So they wont hear me say

Ah-hahaha ahh!

Come and be my one and only

Tired of being so lonely come hold me

Ah-hahaha ahh!

I wanna wrap myself around you or whenever you want to

Come make me say

Ah-hahaha ahh!

Come be my one & only

Tired of being so lonely console me

Ah-hahaha ahh!

I wanna wrap myself around you or baby whenever you want to

Come make me say

Twista:

Now we pullin up out the garage

In the platinum blue arnage

Me and you about to hit that club

To the bar so we can sip that bud

Both of us together we would be the livest

If I had to break it down how would I describe it

(Ah- ahahaha ahhh!)

We the type of couple when we get up on each other

we get it crackin in the kitchen or the bedroom

it dont matter where we at we be makin noise

so play the track so the base will make ya head boom

break ya off when here one leg up

And you know I like the way you put it on me

Its the eastcoast queen and the midwest Mob Boss?

Shorty I will never leave ya lonely

Mariah:

I wish that we could
Blow out the speakers
Over N Over
to then jokes to secrets
Forever your lady
You act right then maybe
Aint nothing to talk about

Youre too persuasive, I cant take it,
