

Mariah Carey, I Wish You Knew

I've got to see you
Wherever you are
And I've got to be there
I'm wishing on stars
I've got to reveal what's inside of my heart
But the words escape me
And I'm paralyzed
So helpless when I
Look into your eyes

[chorus]

And how I wish you only knew
What I feel inside for you
You probably haven't got a clue
But I wish you knew
How I love you baby

Honestly I know it's silly of me
To want you so badly
But keep it concealed
See my inferiority complex kicks in
And the words escape me
And I'm paralyzed
So helpless when I
Look into your eyes

[chorus]

And how I wish you only knew
What I feel inside for you
You probably haven't got a clue
But I wish you knew
How I love you baby
