

# Mariah Carey, Loverboy

(Ah) My girl  
Got a new boyfriend  
Yeah  
Yeah (Oh)  
K-I-S-S-I-N-G

(Ah) Uh huh uh huh baby  
(Ah) Uh huh uh huh baby  
(Ah) Uh huh uh huh baby  
(Whooooooooooooooooooooo)  
I wanna  
I wanna  
I wanna  
I wanna  
I need a  
I need a  
I need a  
I need a  
A lover  
A loverboy for me

{Mariah:}  
I got myself a lover  
Who loves what I like  
When he invites me over  
I come every time  
Oh my sugar daddy  
Takes me for a ride  
Whatever way we're going  
I expect to leave on time

He's all mine  
And his loving makes me high  
Like a taste of ecstasy  
All I need is him to be my loverboy

Loverboy  
Come on and love me  
Give me more  
Touch me and touch me  
I enjoy the way you rock me all night long  
(Baby all night long)  
Loverboy come on and take me  
Only you know how to make me  
Shudder with anticipation  
All night long  
(All night long)

I got myself a lover  
And he's so sublime  
He's quite a bit of heaven  
When he comes inside  
So come on sugar daddy  
Take me for a ride  
Whatever way we're going next  
I expect to leave on time

I get weak

And his candy's just so sweet  
When he caressed my whole body  
All I need is him to be my loverboy

Loverboy  
Come on and love me  
Give me more  
Touch me and touch me  
I enjoy the way you rock me all night long  
(I enjoy the way you rock me)  
Loverboy come on and take me  
Only you know how to make me  
Shudder with anticipation  
All night long

{Cameo:}  
This stuff is starting now  
This stuff is starting now  
It's the same feeling  
I always seem to get around you (Yes I do)  
Cause you affect me  
Fascinate me  
I thank heaven for the things that you do  
This stuff is starting now  
This stuff is starting now  
This stuff is starting now (Whoo)

My thoughts flow in my head  
I toss and turn in my bed  
In the morning when I think about you (Candy)  
Simply put, you're the reason why  
Even though I'm real shy  
It's like candy  
I attempt to look my best for you (Indeed I do)

{Mariah:}  
Loverboy  
Loverboy  
Come on and love me  
Give me more  
Touch me and touch me  
I enjoy the way you rock me all night long  
(I enjoy the way you rock me)  
Loverboy come on and take me  
Only you know how to make me  
Shudder with anticipation  
All night long (Strawberry)  
Loverboy come on and take me (Raspberry)  
Only you know how to make me (All those good things)  
Shudder with anticipation (Diamonds and gumdrops)  
All night long (That's what you seem to me)
