

# Mariah Carey, Music Box

Mhhh

When I am lost  
You shine a light for me and set me free  
When I am low  
You wash away my tears

And take me through  
The loneliness and emptiness  
Through the darkest night  
Somehow I survive  
Through it all

When you tell me I'm the only one you need  
Sweet and tenderly  
And your love  
Breaks away the clouds surrounding me  
All I have I want to give to thee  
Oh baby  
Mh

If I should fall  
Your love is strong enough to lift me up  
If I'm afraid  
Oh baby  
You chase away my fears  
And take me to

A brighter place  
Beyond the rain  
And I feel alright  
'Cause you're by my side  
Through it all

When you tell me I'm the only one you need  
Sweet and tenderly  
And your love  
Breaks away the clouds surrounding me  
All I have I want to give to thee  
Oh baby  
Mh

Mh  
Da da da da da  
Haaa

You take me through  
The loneliness and emptiness  
And I feel alright  
'Cause you're by my side

When you tell me I'm the only one you need  
Sweet and tenderly  
And your love  
Breaks away the clouds surrounding me  
All I have I want to give to thee  
Oh baby  
Mh

Want to give you all of my love (ooh)  
Now and forever my love (my love, my love)  
All I have I want to give to thee  
Mhh  
Mhhhh
