Mariah Carey, Say something

I am over here
Looking at you
You are over there
Watching me too
Both painting pictures of
Of how we'll kiss and hug
So what you wanna do
(So what you gon' do, what you gon' do)
Tell me why we're standing here
The moment's fashions are so clear
you've got my mind blown
And baby, I'm ready to go
But uh...
If it's worth your while
Say something, say something
If it's worth your while
Say something good to me
Hey, hey, hey, hey, hey
If it's worth your while
Do something good to me
(Let's make it)
Hot as you can stand it
Something like volcanic
You and me seems organic
Just like the stars and planets
Yeah, we are
So what you wanna do
(So what you gon' do, what you gon' do)
Tell me why we're still in here
There's nothing for us to fear
I could tell you with my eyes closed
That baby, I'm ready to go
But uh...
If it's worth your while
Say something, say something
If it's worth your while
Say something good to me
Hey, hey, hey, hey, hey
If it's worth your while
Do something good to me
If it's worth your while
Say something, say something
If it's worth your while
Say something good to me (baby)
Hey, hey, hey, hey, hey
If it's worth your while
Do something good to me
Everytime I fall through
Want me to speak on the word or two
It's the D-O-double-G
And I do it so lovely
Making this track with the Neptunes
Baby girl follow me to the rest room
Now get buckwild
Shhh, don't make a sound
I'll take you, lay you down
Make your body go round and round
Do you want to?
Don't say you won't, I know you do.
Most girls play shy
It won't hurt until you give a try.
I know you like my smile, dig my style
Big Bow Wow
But uh...

If it's worth your while
Say something, say something
If it's worth your while
Say something good to me
Hey, hey, hey, hey, hey
If it's worth your while
Do something good to me
But uh...
If it's worth your while
Say something, say something
If it's worth your while
Say something good to me
Hey, hey, hey, hey, hey
If it's worth your while
Do something good to me
