

# Mariah Carey, The Wind

The wind has taken you  
You're free finally at peace  
So still you lie  
Leaving your cares behind

The pain is gone  
Gone with the spirit in your eyes  
Now you're wandering around  
Above us  
Looking downward  
As we cry

You've flown into the wind  
Escaping all the hurt within  
Took to the sky  
Leaving the world behind

So young to die  
How could you let it all pass you by

And to the wind go so many dreams  
That you held inside  
Now you're just a memory  
Burning in my mind

Do da do yeah  
So young to die  
How could you let life pass you by  
And now you'll never know I loved you  
And now you'll never know I cared

I really loved you  
And now you'll never know

You'll only fade  
Into the wind
