

Marianas Trench, Good To You

(Featuring Kate Voegele)

Everyone's around, no words are coming out.

And I can't find my breathe, can we just say the rest with no sound.

And I know this isn't enough, I still don't measure up.

And I'm not prepared, sorry is never there when you need it.

And I do want you know I hold you up above everyone.

And I do want you know I think you'd be good to me

And I'd be so good to you.

I would.

Thought I saw a sign, somewhere between the lines.

Maybe it's me, maybe I only see, what I want.

But I still have your letter, to stock up between?

Someone I just invented, and who I really am?

?

And I do want you know I hold you up above everyone.

And I do want you know I think you'd be good to me

And I'd be so good to you.

Woahh

You bring me higher.

Yeah.

I would.

And I do want you know I hold you up above everyone.

And I do want you know I think you'd be good to me

And I'd be so good to you.

I'd be good to you,

I'd be good to you,

I'd be good to you...
