

# Marianas Trench, Masterpiece Theatre II

I will softly pull away  
In this broken beautiful mess I've made  
And in the dead and quiet I will slowly fade  
In this masterpiece I made  
I'll burn out and slip away  
And this just a part I portray  
You're beautiful, can I hide in you and stay here?  
Making mostly to themselves  
Hush now they'll hurt you till your heart melts  
They know you're lonely  
And they will only break your heart  
And this masterpiece will tear you apart  
I'll burn out and slip away  
And this just a part I portray  
You're beautiful,  
Can I hide in you and stay here?  
First it comes alive, creeping quiet  
And this is just a part I portray  
You're beautiful, can I hide in you  
And stay here all night?  
Well, oh I will pull away  
I portray  
I'll wreck this if I have to  
Tell me what good would that do?  
I'll wreck this if I have to  
Tell me what good would that do?  
I'll wreck this if I have to  
Tell me what good would that do?
