

Marianne Faithfull, Epilogue (The Seven Deadly Sins)

Anna I

Now we're coming back to you, in Louisiana
Where the moon on the Mississippi is a-shining ever.
Seven years we've been away in the big towns
Where you go to make money;
And now our fortune's made,

And now you're there,
Little house in old Louisiana.
We're coming back to you,
To our little house beside the Mississippi in Louisiana
Right, Anna?

Anna II

Yes, Anna.
