Marianne Faithfull, Guilt

I feel guilt, I feel guilt,
Though I know I've done no wrong I feel guilt.
I feel guilt, I feel guilt,
Though I know I've done no wrong I feel guilt.

I feel bad, so bad,
Though I ain't done nothing wrong I feel bad.
I feel bad, so bad,
Though I ain't done nothing wrong I feel bad.

I never lied to my lover,
But if I did I would admit it.
If I could get away with murder
I'd take my gun and I'd commit it.
I never gave to the rich, I never stole from the poor,
I'm like a curious child, give me more,
More, more, more, more, more, more.

I feel blood, I feel blood,
Though I feel it in my veins, it's not enough.

I feel blood, I feel blood,
Though it's streaming through my veins it's not enough.

I never stole a scarf from harrods,
But if I did you wouldn't miss it.
I never stole a doll from lovecraft,
But if I did you know I'd kiss it.
I never stole from the rich, I never gave to the poor,
I'm like a curious child, just give me more,
More, more, more, more, more, more, more, more.

I feel guilt, I feel guilt,
Though I know I've done no wrong I feel guilt.
I feel guilt, I feel guilt,
Though I ain't done nothing wrong I feel guilt.

Guilt, guilt, guilt, guilt
Guilt, guilt, guilt, guilt...
