

Marianne Faithfull, The First Time Ever I Saw You

The first time ever I saw your face
I saw the sun rise in your eyes
That the moon and stars were a gift you gave
To the dark and the empty skies, my love,
To the dark and the empty skies.

The first time ever I kissed your mouth
I felt the earth move in my hand
Like the trembling heart of a captive bird

That was there at my command, my love,
That was there at my command.

The first time ever I lay with you
And felt your heart beat close to mine,
I thought our joy would never end
And would last till the end of time, my love,
And would last till the end of time.
