

Marianne Faithfull, The Gypsy Faerie Queen (feat

I'm known by many different names,
My good friend Will calls me Puck and Robin Goodfellow,
I follow the Gypsy Faerie Queen And
I follow the Gypsy Faerie Queen

she walks the length and breadth of England
singng her song, using her wand
to help and hal the land and the creatures on it
she's dressed in rags of moleskin
and wears a crown of Rowan berries on her brow

and I
follow /3x
the gypsy Faerie Queen
We
exist /4x
In the twilight in between

she bears a blackthorn staff
to help her in her walking
I only listen to her sing
ut I never hear her talking anymore
though once she did /2x

and I
follow /3x
the gypsy Faerie Queen
We
exist /4x
In the twilight in between

and I
follow /3x
the gypsy Faerie Queen
We
exist /4x
in the country in between
