

# Marie, Cotton Candy

[VERSE]

Would you like to hide under my bed right now?  
There's a place I'd like you to be inside of  
Oh is it okay to think this way?  
Oh I don't know, should I stay alone tonight?  
Or with you right by my side?  
What if I play with you  
What if I just go through  
What if you want me back  
I'd like that  
What if I am a bitch  
What if I have a nitch  
I'm just a baby  
Would you like to come and save me?

[Chorus]

One and two and three and four  
I'm counting and you're coming  
Cause I'm the owner  
You're the dog following  
Tick and tock and clock is tocking  
And we're still not sleeping  
We are not laughing  
We both wanna kick it  
And your lips are on my hips, and my hips are on your lips  
I'm the cotton candy, you're so sweet such a Dante  
You sing to me  
I just want you to be free

[BRIDGE]

La-la-la-la-la-la-la  
La-la-la-la-la-la-la  
La-la-la-la-la-la-la

[VERSE]

I'm not a fairy doll, I would love to  
I would love to grant every wish you have  
Oh is it okay to think this way?  
Oh I don't know  
Should I stay alone tonight?  
Or with you right by my side?  
What if loves watching me  
What if I feel the beat  
What if I called you back  
You'd like that  
What if I am a girl who's like an angel pure  
Would you still like me?  
Would you take me not too likely?

[Chorus]

One and two and three and four  
I'm counting and you're coming  
Cause I'm the owner  
You're the dog following  
Tick and tock and clock is tocking  
And we're still not sleeping  
We are not laughing  
We both want to kick it  
And your lips are on my legs, and my lips are on your chest  
I'm the cotton candy, you're so sweet such a Dante  
You sing to me  
I just want you to be free

[BRIDGE]

La-la-la-la-la-la-la  
La-la-la-la-la-la-la  
La-la-la-la-la-la-la

[OUTRO]

And your lips are on my hips, and my hips are on your lips  
I'm the cotton candy, you're so sweet such a Dante  
You sing to me  
I just want you to be free
