

# Marie Digby , Say It Again

The thing about love is I never saw it comin'  
You kinda crept up and took me by surprise  
And now there's a voice inside my heart that's got me wonderin'  
Is this true, I wanna hear it one more time

Move in a little closer  
(just a little closer)  
Take it to a whisper  
(woah)  
Get just a little louder  
(yeah)

Say it again for me  
Cuz I love the way it feels when you are  
Tellin me that I'm  
The only one who blows your mind  
Say it again for me  
It's like the whole world stops to listen  
When you tell me you're in love  
Say It Again

The thing about you (about you)  
Is you know just how to get me  
You talk about us like there's no end in sight  
The thing about me is that I really wanna let you (wanna let you)  
Open that door (open that door)  
And walk into my life

Move in a little closer  
(just a little closer)  
Take it to a whisper  
(woah)  
Just a little louder  
(yeah)

Say it again for me  
Cuz I love the way it feels  
When you are  
Tellin' me that i'm

The only one who blows your mind  
Say it again for me  
It's like the whole world stops to listen  
When you tell me you're in love

And it feels like  
It's the first time  
That anybody's ever brought the sun without the rain  
And never  
In my whole life  
Have I heard words as beautiful as when you say my name

Say It again for me  
Cuz I love the way it feels  
When you are tellin' me that I'm  
The only one who blows your mind  
Say It again for me  
It's like the whole world stops to listen  
When you tell me you're in love

Say it again  
Say it again  
Say it again  
(oh)

Say it again  
Say it again  
Say it again

Say it again  
Say it again  
Say it again

When you tell me you're in love  
Say it again

oooo (oh)  
oooo, oh  
oooo
