

Marie Osmond, A Little Bit Country, A Little Bit Rock

I'm a little bit country
And I'm a little bit rock 'n roll
I'm a little bit of Memphis and nashville
With a Little bit of Motown in my soul
I don't know if it's good or bad
But I Know I Love It So
I'm a little bit country, I'm a little bit rock 'n roll

He's a little bit gentle, he's a little bit runnin' wild
She's a little bit a full-grown woman, she's a little bit of a child
Don't know if I'm happy or sad
My music makes me whols
I'm a little bit country
And I'm a little bit rock 'n roll

I like that peaceful easy feeling of a laid-back country song
And when I sing my rock 'n roll, I can sing it all night long
I love my country with all my heart and my soul
I go out on saturday night for a little bit of rock 'n roll
I know I'm goin' to feel all right
No matter where I go
With a little bit of country
And a little bit of rock 'n roll

I love my country with all my heart and my soul
I go out on saturday night for a little bit of rock 'n roll
I know I'm goin' to feel all right
No matter where I go
With a little bit of country
And a little bit of rock 'n roll

We're a little bit country
We're a little bit rock 'n roll
