

# Marie Osmond, Fool Number One

Am I fool number one  
or am I fool number two,  
How many other girls  
have been fooled by you?  
I suppose that the number  
is far from being small,  
And I'll bet that I'm the biggest fool of all.

If I had the chance,  
I guess I'd do it all again,  
I'd go down the same old road  
even knowing at the end,  
You'll leave me when your heart hears  
a new love call  
So I guess that I'm the biggest fool of all.

Am I fool number one  
or am I fool number two,  
How many other girls have been fooled by you?  
I suppose that the number, is far from being small  
And I'll bet that I'm the biggest fool of all.  
And I'll bet that I'm the biggest fool of all.
