

# Marie Osmond, I'll Be Faithful To You

I can see your heart is aching.  
She hurt you more than she knew.  
But should you ever want to love again.  
I'll be faithful to you.

Let me dry away your lonesome tears.  
Like the sun melts morning dew.  
And I will wrap you up in true true love  
And I'll be faithful to you.

In this world of pain and sorrow  
Where a promise don't hold true.  
Here's a vow you can be sure of.  
I'll be faithful to you.

And I will wrap you up in true true love.  
And I'll be faithful to you.
