

Marie Osmond, There's No Stopping Your Heart

Woke up this morning with you by my side.
Thought I was dreamin' with my eyes wide open.
I had to touch you and feel you near.
Are you really here?
I plan to be the one who sticks around.
Ooh your love could lift me up above the clouds.
I get so high when I'm with you,
I may never come down.
When forever starts,
There's no stopping, no stopping, no stopping your heart.

Like a river it just keeps on rolling
'Till it fills you up to overflow and
There's no stopping, no stopping, no stopping your heart.

When you touch me it's like paradise.
Tropical islands and soft moonlight all night.
It's almost like fallin' in love
For the very first time.
When forever starts,
There's no stopping, no stopping, no stopping your heart.

Like a river it just keeps on rollin'.
'Till it fills you up to overflow and
There's no stopping, no stopping, no stopping your heart.

When you really found it,
There's no doubt about it.
There's no stopping, no stopping, no stopping your heart.

Like a river it just keeps on rollin'.
'Till it fills you up to overflow and
There's no stopping, no stopping, no stopping your heart.
Whoaaoa
Like a river it just keeps on rollin'.
'Till it fills you up to overflow and
There's no stopping no stopping no stopping your heart.
