

Marie Osmond, This Is The Way That I Feel

This is the way that I feel, when I'm with you, baby.
This is the way that I feel, when I'm with you, baby.
Oh, I love you, yeah baby, I love you.

spoken

Listen, baby.

When I'm just barely survivin,
oh, you make me feel so important.
And you mean so much to me, that I never want to leave your side.

Oh, this is the way that I feel, when I'm with you, baby.
This is the way that I feel, when I'm with you, baby.
Oh, and I love you, yeah baby, I love you.

I know some of my friends try to tell you
that you oughta put me down.
And start dating some other girls, yeah,
whenever I'm not around.
And I feel so good till I hear someone say
you're not right for me.
But when I'm with you, baby, I'm right where I want to be.

This is the way that I feel, when I'm with you, baby.
This is the way that I feel, when I'm with you, baby.
Oh, and I love you, yeah baby, I love you.

spoken

My heart beats like a thousand drums
when I reach out to hold you in my arms.
It feels like I'm floating on a cloud,
every time you speak my name out loud.

This is the way that I feel, when I'm with you, baby.
This is the way that I feel, when I'm with you, baby.....
