

MARIEN, Nothing To Loose (piosenka z filmu 365

You know who i'm
Nobody knows me better
Today i'm feeling fine
No one drag me down
Even if i lose my mind
who cares? i feel i want it
You won't stop me now
This time don't tell me it's not easy
Just take my hand and follow me
We gon party grow up
We've got nothing to lose
so come on
I just wanna have some fun tonight

Trust me one more time
I want to show you everything
What i hide inside, now i feel alive
Let's run against your wind
Like there is no tomorrow
Who could stop us now
This time don't tell me it's not easy
Just take my hand and follow me
We gon party grow up
We've got nothing to lose
so come on
I just wanna have some fun tonight
I just wanna have some fun tonight
I just wanna have some fun tonight

Are we gonna stay long forever
As long as we can feel for you
This time don't tell me it's not easy
Just take my hand and follow me
We gon party grow up
We've got nothing to lose
so come on
I just wanna have some fun tonight
I just wanna have some fun tonight
I just wanna have some fun tonight
