

Marija Serifovic, Destiny

It's been a long way
I tried hard not to fall apart
Every night I pray
And your voice is singing in my heart
I have been waiting
A long time for you to take my hand
Loving and hating
A desire that I don't understand
I can't breathe, I can't sleep
Why can't I get through to you?
I can't think, I can't speak
What am I to do?

Destiny

I've been looking for something to guide me

Destiny

Even though I've tried I can't deny you

If I let you go, I'd betray my soul

I know that this is something more

Even though nothing's spoken for,
a way that you will feel the same about me

Destiny

Instrumental

Read the stars and see my scars

I feel so low when you're away

So reach out, it's not far

Listen to me pray

Destiny

I've been looking for something to guide me

Destiny

Even though I tried I can't deny you

If I let you go (let you go)

I betray my soul (my soul)

I know that this is something more

Even though (even though), nothing's spoken for (spoken for)

A way that you will feel the same

'bout me.. ooohhh

If I let you go (let you go)

I betray my soul (my soul)

I know this is something more

Even though, (even though) nothing spoken for (spoken for)

I pray that you will feel the same 'bout me

Destiny

Faith is within me
