

Marika, So Sure

I know that you probably
know a lot of fine girls
I know that we've known each other
only since few days
I know that you're busy bwoy
and girls take a lot of time, right
i know that you're b-boy
keep your b-boy life

Cause you can be sure of me
cause I've made my choice
You can be sure of me
I'm not looking for fast love

I know that you're b-boy
keep your b-boy life
I'm not gonna make you change
your hardcore style
somehow we're similar
Cause music rules our lives, right
And that's why I see a possibility to get closer
So i say

Any any anyway
I'm not going anywhere
I just wanna make it clear
I've maid my choice
Any any anyway
I'm not going anywhere
I just wanna make it clear
I love you rude boy
