

Marillion, No Such Thing

There's no such thing
As an answered prayer
As the ozone layer
There's no such thing
As an action hero

There's no such thing
As an easy ride
There's no such thing
As a place to hide
There's no such thing
As a perfect day

There's no such thing
As the pearly gates
There's no such thing
As an ordered world
There's no such thing
As an easy girl

No such thing
No such thing

There's no such thing
As peace-of-mind
As a faithful wife
As the bottom line
There's no such thing
As owning something
It's all borrowed time
It's all borrowed time

There's no such thing
There's no such thing
No such thing
There's no such thing
No such thing.
