

Marilyn Manson, DEEP SIX

You want to know what Zeus said to Narcissus?
You better watch yourself
You want to know what Zeus said to Narcissus?
You better watch yourself
You better watch yourself

It's like a stranger had a key, came inside of my mind
And moved all my things around
He didn't know snakes can't eat a brain
Can't try to break the psyche down

It's in my half-frozen wax
And your artillery lead
Do you like our plan?
Do you like our plan?

DEEP SIX, SIX, SIX feet deep
DEEP SIX, SIX, SIX ...

It's like a stranger had a key, came inside of my mind
And moved all my things around
He didn't know snakes can't eat a brain
Can't try to break the psyche down

It's in my half-frozen wax
And your artillery lead
Do you like our plan?
Do you like our plan?
