## Marilyn Manson, King Kill 33o

Is this what you wanted? This is what you get. Turned all your lives into this shit. You never accepted or treated me fair blame me for what I believe and I wear. You fucked yourselves and you raised these sheep the blue and the withered seeds you will reap. You never gave me a chance to be me Or even a fucking chance just to be. But I have to show you that you played a role and I will destroy you with one simple hole. The world that hates me has taken its toll but now I have finally taken control. You wanted so bad to make me this thing and I want you now to just kill the king

and I am not sorry, and I am not sorry this is what you deserve and I am not sorry, and I am not sorry this is what you deserve and I am not sorry, and I am not sorry this is what you deserve
