

Marilyn Manson, Same Strange Dogma

Same Strange Dogma
Burn you f**ker!

This is unreal

Burn burn burn
Burn the witches
Burn the witches
Don't take time to sew the stitches
Burn the witches
Burn the witches
Don't take time to sew the stitches
Hand shake ring sign
Snake eye bite mine
Hand shake ring sign
Snake eye bite mine
I don't need your hate
Burn burn
I decide my fate

Burn burn burn burn
Burn your bridges
Burn your bridges
Don't take time to sew your stitches
Burn your bridges
Burn your bridges
Don't take time to sew your stitches
Levi crowley golden dawn
Strange same dogma on and on
I don't need your hate
Burn burn
I decide my fate
We don't viscerate
Your mind masturbates
Burn you f**ker

Burn burn burn burn
Burn and burn and burn the witches
Burn and burn and burn the witches
Burn and burn and burn the witches
Don't take time to sew your stitches
Burn burn Burn burn Burn burn Burn you f**ker
Burn the witches
Burn Burn the witches
Burn burn Burn the witches
Burn
No age no pain no gray hair
Strange same dogma I don't care
I don't need your hate
Burn burn
I decide my fate
Burn you f**ker

We don't viscerate
Burn burn Your mind masturbates
Burn burn I don't need your hate
I decide my fate
Burn you f**ker
Burn you f**ker

Don't take time to sew your stitches
