## Marilyn Manson, Scaredy Cat

I am your monster to devour You can see the smiles on the ones I have deflowered What can you say? What will you do? Your bark is bigger than the bite Of the dog shadow eating you

I can see you, you can't hide I am the maggot in the apple of your eye

Scaredy cat, scaredy cat, scaredy cat You're a...
I can't believe in you
Scaredy cat, scaredy cat, scaredy cat You're a...
