Marilyn Manson, Use Your Fist And Not Your Mo

Come on, come on! Come on, come on! I am overground and Out-selling IT Since God thinks I dont exist The Beatings happen Per Minute This is not Blue-collar-white-corrective politics Im on a HATE AMERICAN STYLE Kick This is the black collar song Put it in your middle finger and sing along Use your fist and not your mouth (come on, come on) This is the black collar song Put it in your middle finger and sing along Use your fist and not your mouth (come on, come on) Im on a campaign for pain And when I get elected Ill wipe the white of your house The smile off your face This is the black collar song Put it in your middle finger and sing along Use your fist and not your mouth (come on, come on) This is the black collar song Put it in your middle finger and sing along Use your fist and not your mouth (come on, come on) I woke up today and wished for tomorrow I dont want to be like anyone else I woke up today and wished for tomorrow I dont want to even be myself I said, no, this isnt your song We cant all get along Its too hard to hold hands when Your hands a fist My hate-pop wont ever stop Im fucking glad were different This is my hate AMERICAN STYLE Hit Dont bring it, dont sing it Use your fist and not your mouth This is the black collar song Put it in your middle finger and sing along Use your fist and not your mouth (come on, come on) This is the black collar song Put it in your middle finger and sing along Use your fist and not your mouth (come on, come on) This is the black collar song Put it in your middle finger and sing along Use your fist and not your mouth (come on, come on) This is the black collar song Put it in your middle finger and sing along Use your fist and not your mouth (come on, come on) I woke up today and wished for tomorrow I dont want to be like anyone else I woke up today and wished for tomorrow I dont want to even be myself
