

# Marilyn Manson, User Friendly

Use me when you want to come  
I've bled just to have your touch  
When I'm in you I want to die

User friendly fucking dopestar obscene  
Will you die when you're high  
You'd never die just for me  
She says,  
"I'm not in love, but I'm gonna fuck you  
'til somebody better comes along."

Use me like I was a whore  
Relationships are such a bore  
Deleted the ones that you've fucked

User friendly fucking dopestar obscene  
Will you die when you're high  
You'd never die just for me  
She says,  
"I'm not in love, but I'm gonna fuck you  
'til somebody better comes along."
