

Marilyn Monroe, Every Baby Needs A Da-Da-Daddy

It was cold outside of Tiffany's, I was shivering in the storm.
I walked in and asked a gentleman "could I please keep warm?".
He asked me how come a baby doll has no comfy place to go,
so I told that kindly gentleman my tale of woe.
Every baby needs a da-da-daddy to keep her worry-free.
Every baby needs a da-da-daddy, but where's one for me?
Rich or poor, I don't care who.
If he hasn't got a million then a half will do.
Every baby needs a da-da-daddy. Could my da-daddy be you?
Every baby needs a da-da-daddy with silver in his hair.
Every baby needs a da-da-daddy who has some gold to spare.
Some sweet daddy who enjoys
bringing home to baby little diamond toys.
Every baby needs a da-da-daddy. Could my da-da-daddy be you?
Every baby needs a da-da-daddy, in case she runs aground
Every baby needs a da-da-daddy, to keep her safe and sound.
Yes we feel just like red riding hood,
Cos the wolves are awful hungry in the neighbourhood
Oh every baby needs a da-da-daddy. Could my da-daddy be you?
Could my da-daddy be you?
