Ow...  
We're havin' a heat wave  
A tropical heat wave  
The temperature's rising, it isn't surprising  
She certainly can  
Can-can

She's starting a heat wave  
By letting her seat wave  
In such a way that, the customers say that  
She certainly can  
Can-can

Gee, gee, her anatomy  
Makes the mercury  
Shoot!  
To ninety three

Ow, ow, ow, ow  
We're havin' a heat wave  
A tropical heat wave  
The way that she moves that thermometer proves  
That she certainly can

What's your name honey?  
Pablo (Certainly can)  
Chico (Certainly can)  
Miguelito

Pablo, Chico, Miguelito  
Ow... can can

Pablo  
It say here under, weather report  
It say, a front of warm air is moving in from

Where?

Jamaica  
Moderately high barometric pressure will  
Cover the, north east and...

Where else?

The Deep South  
Small danger of

What?

Fruit frost  
Hot and humid nights can be expected

Saint Vincent, 95  
Guadeloupe, 97  
Santo Domingo, 99  
Martinique, a hundred-and-five?

We're having a heat wave...  
A tropical heat wave  
The temperature's rising, it isn't surprising  
He certainly can  
Can

I started this heat wave...  
By (yeah, yeah, yeah, yeah)  
In such a way that, the customers say that  
I certainly can (can can)

Gee, gee, gee, her anatomy  
Makes the mercury  
Rise to 93

You're having a heat wave  
A tropical, tropical heat wave  
The wave that I move, that thermometer proves

She certainly certainly certainly can

I certainly certainly certainly can

Can-can...
